## **EMD Performance Materials will now be known as EMD Electronics**

Dear Valued Business Partner,

We are excited to share that on March 4, our business has changed its name from EMD Performance Materials to EMD Electronics. Our new name is an expression of our commitment and focus on the electronics industry.

At this time, we will continue to utilize the existing business operations. What this means for you is:

- The names of our legal entities remain the same. This means the contracts, legal documents and other business documents, such as invoices, remain unchanged.
- There will be no change to your point of contact. Should you need support, please reach out to the same representative you have in the past.

While we operate under a different business name, we do not anticipate any impact to our business relationship.

Thank you for your continued partnership and support. We are excited for the new possibilities and all that we will be able to create together.

If you have any additional questions, please do not hesitate to contact us.

Thank you!

A handwritten signature in blue ink, appearing to read "J. Christ".

**Joachim Christ**
